"SEEDY SATURDAY"

March 6th, 10-2

Pender Island's Community Hall

- ~ Seed Swap
- ~ Plant Sale
- ~ Seed Sale
- ~ Garden books
- ~ Master Gardeners
- ~ Local food

What is a Seedy Saturday?

A Seedy Saturday is a time to exchange or buy, food & plant seeds, and purchase plants that will grow in our area & to get ideas from experts in all aspects of gardening.

The SEED SWAP is where you can share your saved seeds with other local gardeners or buy seeds they have saved locally.

Bring your own saved seeds to donate or trade at the "Seed Exchange".

Seeds should be cleaned, packaged in clear bags or small envelopes, and labelled with the variety and year saved.

Heritage and /or organic varieties preferred.

Exchange seeds including: heirlooms, runner plants, tubers, rhizomes, bulbs, etc...

ALL CLEARLY LABELED.

Vendors can call to book a table to sell Plants and Seeds. If you have anything that you think might fit the event call

Mathilde at 250 629 3829 or Barbara 250 629 3320

Products preferred to be organic, island produced, non GMO and just plain good.
